For other majors, please refer to: <http://sie.cust.edu.cn> Or <http://cust.apply.cucas.cn/>

Note:

1. During the overseas online learning stage, the school will only send scanned copies of admission notice to students, and create student status for international students after paying tuition fees. After the border is open, the school will send admission notice and JW202 forms to students and when students arrive at the school, the tuition fees according to the offline charging standard should be made up.
2. Before applying, students should confirm that they have the relevant conditions of online learning (such as time difference, Internet speed, and whether WeChat can be used etc.).
3. Students who are unable to provide necessary materials for entry visas such as physical examination and no criminal proofs must provide personal responsibility statements.
4. Tuition fees for studying offline will be restored to standard tuition fees (if scholarships are awarded, the scholarship policy will be applied).
5. The application deadline for students in China is June 10, so that the school has enough time to apply for JW202 and help students extend their study visa in China.
6. The application deadline for overseas students is June 25.
7. Payment deadline: within 7 days after receiving the Admission Notice.
